

## **Atlas ESS Warranty**

1. Length of warranty: 15 years from date of installation and 10,000 cycles.
2. Warranty covers parts only. Does not include labor to make repairs.
3. Parts will be repaired or replaced at discretion of Atlas ESS.
4. Amount of warranty is prorated over 15 years, declining at 10% per year, as follows:  
Year 1 & 2 = 100% of the cost of replacement parts.  
Year 3 = 80%    Year 4 = 70%    Year 5 = 60%    Year 6 = 50%  
Year 7 = 40%    Year 8 = 30%    Year 9 = 20%    Year 10 = 10%  
Year 11 = 10%    Year 12 = 10%    Year 13 = 10%    Year 14 = 10%  
Year 15 = 10%
5. Warranty applies to new installation performed by qualified installer of Atlas ESS equipment at the address stated on the invoice.
6. Warranty applies to systems moved to a location different from the original location as long as the new location is suitable for Atlas ESS batteries and the installation is performed by a qualified installer. Damage to parts from relocation are not covered by this warranty.
7. Warranty is transferrable to a new owner. The new owner should contact Atlas ESS to transfer the warranty.
